This is an OpenType... And this is a popular typeface from Laura Worthington, designer and author of the Samantha Script. Category:OpenType typefaces Category:Typefaces with text figures Category:Typefaces and fonts introduced in 1995Pages February 15, 2013 The Weekly "For the most part, the show would be alive without me, but I do bring some life and humanness to it, and that's the good part. So how do you live your life? You have a plan, right? If you're anything like me, you like to have a plan in place when you go into your day. I try to draw up a plan for each day, laying out what I would do in the morning (wake up, get dressed, eat breakfast, etc.) and what I would do in the evening (eat dinner, possibly read a book, watch television, etc.). But most often, I'm not sure how the day will unfold, which is why I love this method of planning--I get the freedom to do the most of my day as it happens. I also want to thank my dear sister, Hollie Dickey, for proving to me that it's okay to check Facebook and Twitter during dinner."Cliffs of fall: international Museum of Agriculture For the next two weeks, the Bureau des Monuments Historiques (BHM) is working to collect the debris from the cliff and get it stabilized. If all goes well, as early as this week, the structure can be moved to a site on the museum grounds. "There are many levels of sadness," said museum director Dorothée Bouchaud. "The cliff broke up and took with it a lot of objects from the area." In fact, the pieces date back to before the museum was built in 1967 and have been lying on the ground for a few years, probably even more than that. Many of the items are farm tools or pieces of machinery that are useful for restoring the museum to its current appearance. "It's a type of waste that a museum collects quite often," Bouchaud said, adding that for the most part, it's just items that are damaged. "They weren't important in the beginning, but now they have value," she said. The chunks of
