If you like Dairy Dave, please consider to give it a review, and give suggestions to improve the game, using the menus in the game. Pounce is a locally multiplayer arcade game for the raspberry pi. Can you get to the center of the ball before your partner reaches it? Controls: The overall aim of the game is to use your special pounce moves to get to the center of the ball as fast as possible. Pounce'ing can be performed either by tapping a special spot on the ball or by tapping the arrows to move in that direction. There are 4 different pounce buttons. You

---

can combine pounce moves by moving in the same direction at the same time. You can also hold the ball to call for a helper to jump into the ball and to pounce as a back-up. To get the helper back, you will need to hit the ball again. Pounce is a multi-player game, so you can challenge someone to a game. Challenges can be settled via email. You can also see who wins a game and buy virtual milk! You can play for free, but the game will ask you to sign in with an email and password. It is also possible to play the game at the Raspberry Jam-Hackathon at the VÅVU-Campus and buy a real pounce ball for the prize! Trails of the Gauntlet, is a Metroidvania platformer which features electric puzzles, hidden content and awesome boss fights. The story takes place in a 1920's steampunk mansion where the mysterious loner, Hugo, is determined to find his missing family. You will have to explore each level, solving puzzles and finding hidden collectibles and items along the way. You will be able to jump, climb, swing, and even use the electric feature to trigger breakable items to solve some puzzles. You will need to battle the game's two bosses to reach the final level of

---

the clock tower. Along the way you will find several hidden items which you can trade at the shop and challenge the Clocktower's guardians at the end. Controls: WASD to move. J to jump. K to climb. Z to use electric "grappling hook". Space bar to jump at the first ledge. Left click to turn on/off the electric feature. To get the flaming on the zapper, you simply need to jump over it!

**by a collaboration of art and culture institutions and the association of Artistes Réunis des Matinales (ARMR; the Artists Union of the Matinale), the Arles Biennale is now part of the Union des Artistes Modernes (UAM). It is one of the three contemporary art Biennales in France and the only Biennale with an Asian contribution. Organisation FERIA d'Arles is organized by several partner organisations, including: the Comité Contrepoint Artistique (CCA) and the municipal cultural department of the Arles Artistic City Council (ACCA). It is also supported by the art dealer Emmanuel Perrotin and the "Conseil Scientifique de la ville d'Arles", composed of scholars from all major institutions in Arles and La Voûte (one of its first exhibitions was Art World ABC, with paintings by René Magritte, Jean Dubuffet and Pierre Soulages). FERIA d'Arles takes place each June and lasts three weeks. The ACRA (Association des Artistes Réunis du Département des Matinales) is the organization that manages all competitions, quality control, and the artists' and works' presentation. The exhibition space is accessible to and visited by the general public during the week of the exhibition. The accompanying printed catalogue is available each year. In 2017, FERIA d'Arles was granted the status of Paris Art, Culture, and Arts festival. A vast literature and archives service accompanies the exhibition throughout the year. History 1955-1981: from the Biennial of Lille After the war, the Fédération Internationale des Artistes Modernes (FIM), founded in 1952, introduced non-exhibition activities: Popular Arts, Textiles, Ceramics, Decorations, Graphic Arts, and Crafts.
