DHANYAWAD I am looking out for Sanskrit along-with English translations. The above links apparently are of Hindi translations. Besides Tulsiram Sharmas, i saw R.L. Kashyaps, and some other writers to have had the same structure(Sanskrit Devanagari texts with English translations below). But none were accessible on internet for downloading. Thus, thought of contacting this forum. I am looking out for Sanskrit along-with English translations. The above links apparently are of Hindi translations. Besides Tulsiram Sharmas, i saw R.L. Kashyaps, and some other writers to have had the same structure(Sanskrit Devanagari texts with English translations below). But none were accessible on internet for downloading. I have downloaded the pdf of the book Maanubhava by Shree Kirtanath Malla. I wanted to know the proof of the authenticity of this book because I have been hearing different things and was wondering if someone else has checked it and can confirm it or not. It is available on your website. I have the hard copy of the book and have been studying on my own. I have been very inspired by your website so I wanted to check the authenticity of the book first. Thanks and happy to be a part of your community.
